Dignity Health Yavapai Regional Medical Center is pleased to announce the grand opening of its new lab draw station in Chino Valley, Arizona. Located at 488 N Hwy 89, Suite I, in the Ranch Plaza, just down from Overflow Coffee, the new facility provides convenient access to essential lab services for the community.

The Chino Valley lab draw station offers a wide range of services and is open Monday through Friday from 7:00 am to 4:00 pm, ensuring accessibility for individuals with busy schedules. No appointments are necessary, allowing patients to receive prompt and efficient care.

In addition to the new Chino Valley location, Dignity Health Yavapai Regional Medical Center operates lab draw stations in Prescott and Prescott Valley, further extending its commitment to providing quality healthcare services throughout the region.

“We are excited to expand our services to the Chino Valley community with the opening of our new lab draw station,” said Dr. Anthony Torres, President and CEO at Dignity Health Yavapai Regional Medical Center. “By offering convenient access to essential lab services without the need for appointments, we aim to enhance the healthcare experience for individuals and families in the area.”
