

VICTORY WEALTH SERVICES TO HELP FIGHT HUNGER WITH JANUARY FOOD DRIVE

Posted on January 21, 2025 by Victory Wealth Services

While each holiday season always comes to an end, the need for food donations is year-round in Arizona. That's why Victory Wealth Services is hosting a January Food Drive to support the [Yavapai County Food Bank](#), which sees fewer donations after Christmas but continues to serve local families in need.

Victory Wealth Services is collecting non-perishable food items from January 1-31 at their Prescott office. Most-needed items include:

- Canned proteins (tuna, chicken, etc.)
- Peanut butter
- Canned fruits and vegetables
- Soups, stews, and chili
- Rice, pasta, and boxed meals

"Every donation counts and helps provide meals to children, seniors, and families in our community," said James Hait, CEO of Victory Wealth Services, LLC. "Let's come together to fill the shelves and make a lasting impact!"

Food donations can be brought to the Victory Wealth Services office at 3741 Karicio Lane, Suite 2, Prescott. For more information, call [\(928\) 778-1050](tel:9287781050).
